How to get to the Leprince Hotel from Le Mans train station ?

By tram (5 minutes) :

Exit the train station on the north side, take tram line T1 towards « Université », and get off at the « République » stop.

The screenshot shows a mobile application interface for a tram journey. On the left, there is a sidebar with navigation options: 'Itinéraire', 'Prochains passages', and 'Retour'. The main content area displays the route from 'Gares (Le Mans)' to 'République (Le Mans)'. It lists three tram departures from 18h43 to 18h55, each with an arrival time of 18h48 to 19h00 and a duration of 05 minutes. The app also shows the CO2 footprint (0.003 kg CO2) and the next tram stops (18:43, 18:49, 18:55). On the right, a map shows the route starting from the 'DÉPART' point at the train station and ending at the 'ARRIVÉE' point at République. The route is highlighted in red and passes through Rue Greffier and Rue de la pelouse. The Sarthe river is visible on the left side of the map.
